## PRAYER STRATEGY

Jesus taught us to pray "thy will be done, on earth as it is in heaven." As our community faces this challenging time, we as the body of Christ are called to be unified in prayer first, and then in compassionate action. Please join us in praying these things:

- 1) Grace, strength, and insight for medical providers to safely treat patients and for researchers working to develop an effective and safe vaccine and treatment.  
JEREMIAH 33:3
- 2) Our leaders at all levels of government, health, education, and business, to walk in wisdom from the Lord and be renewed in their strength. PROVERBS 2:6
- 3) That we would be compelled to minister to the vulnerable in our midst with the compassion of the Lord, and be willing to be the hands and feet of Jesus to provide comfort to the suffering and aid to the needy. MATTHEW 9:36
- 4) For the body of Christ to refuse fear and anxiety, and to model wisdom and perseverance, as we respond to the opportunities for the Gospel to be preached.  
2 TIMOTHY 1:7
- 5) For healing and reconciliation in families, communities, and our nation.  
2 CHRONICLES 7:14

## From the Manager's Desk...

We are now living in a challenging and unprecedented time. We can all agree that common sense preparation and good health practices are all reasonable precautions. Showing wisdom and doing your best to avoid problems, is not the same as fear. And yet human nature (and our fallen world) reminds us that people are going to be afraid. It's possible you may feel some fear today.

First John tells us that fear has torment. Zach Williams reminds us that "fear is a liar." So, we must be on guard against the temptation to fear. And the larger messages of scripture teaches us that even when we have feelings of fear, we can still choose to live by decisions of faith.

Let's remind ourselves of a few things:

- God is still in control. This was no surprise to him. Is 9:7
- God is concerned about us. Matt 6:25-34
- God is with us even when we go through difficulties. In this world, we will have struggles, BUT we will always have God's wonderful promises. John 16:33, Is 43:2-3a
- We have one of the greatest promises: eternal life! John 17:3 Knowing our identity in relationship to Christ is the greatest weapon against fear!

As Christians, we need to PRAY: for wisdom, for our leaders, for our first responders and health care professionals, for those who are sick, and for less worry and more dependence on God. Pray for opportunities where YOU can show God's love to others.

Finally, Shine FM will continue to be a place of calm, a place for encouragement, and a place for you to experience God's peace. All of us will need these things as we navigate the coming weeks and months. I pray you experience God's peace and protection.

Partnering Together,

Mark Boyer  
Founder/Manager

*"Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus." - Philippians 4:6-7*
